County Court.

Wednesday morning the case of Warner W. Goodenough vs. Flynn H. McDonald was taken up; after the case had progressed about two hours a defect in the pleadings was discovered and the defendant moved for a continuance and the motion was granted and the case continued. This was an action of trespass quare clausum to recover for timber cut by the defendant on plaintiff's land. Howe & Hovey appeared for the plaintiff and Simonds & Searles for the defendant.

The next case taken up was the case of Joseph Sicord and Peter Sicord vs. Fred D. Gilman and Daniel Gilman as Gilman Bros. This is an action to recover damages alleged to have been sustained by reason of the insufficiency of a certain dam of the defendants whereby, during freshets, the same broke away causing large quantities of water to rush down upon the land of the plaintiffs washing away much of the grading of their premises. The premises of the plaintiffs are located just below the pond of the defendant. This washing away of the plaintiffs' land occurred several times, each time they notified defendants and the dam was repaired leaving the same insufficiency as before. These are the facts of the case as claimed by the plaintiffs. The case is still on trial and will probably be finished today. Simonds & Searles and Elisha May for plaintiffs and Howe & Hovey for defendants.

The following cases have been settled: Lucius S. Brock vs. Susan Shaw, apt., and Citizens Savings Bank and Trust Co.,

trustee; Elmer E. Badger, by Nellie O. Badger next friend v. A. R. and S. C. Badger; Willie O. Badger v. A. R. Badger and L. C. Badger, apt.; Edward H. Badger v. A. R. Badger and L. C.
